Dear friends,

We had a great summer with lots of activities. **The youth favorites included going to Waldameer and the Waterworld!** For some it was their first time. I am amazed at how much they appreciate the Erie activities. Weekly fieldtrips would not have been possible without your generosity.

Erie Gives 2017 was the best yet! The House of Mercy had 49 donors (10 of which were new donors). We raised \$4795.08. The Sisters of Mercy were our largest donor giving \$1000. Thanks to all who supported the House of Mercy. After several years of saving and the support of the Sisters of Mercy **the House of Mercy was able to purchase a 2016 Dodge Grand Caravan** for ministry. Your gift will ensure that we can provide opportunities for youth and families and distributed needed donations.

During September, **over 100 youth were registered and signed up for Christmas gifts.** Many families also requested a Thanksgiving food box. We depend on your support during the holiday season especially!

Please join us for our **2nd TECHNO Bingo on Saturday, Nov 11, 2017** at the Harborcreek Social Hall. Tickets are \$25 and can be purchased on-line at Eventbrite.com or by contacting Sr. Michele at 814-898-0167. If you order 5 tickets on-line at the same time, you can qualify for a free ticket. Gather your friends and come out to win great electronic prizes for yourself or for Christmas gifts! See our poster on the back for all the details. This is a great fundraiser because electronics are something many families in our neighborhood lack. One middle school boy recently asked if he could "borrow" a tablet to take home because he didn't have one! **Your participation will provide a library of electronics and assist with our Christmas needs.**

Every year at Christmas we provide a Christmas Store for youth in our area to select and wrap four new gifts for family members. We usually serve about 100 kids. This year we are planning on hosting the **Santa's Shop at Diehl Elementary where 500 kids will benefit.** We really need your help! Please collect new items valued \$1-\$5 for mom, dad, brother or sister or send your financial gift so we can purchase what is still needed after we receive donations. Contact Sr. Michele to volunteer as a shopper assistant or gift wrapper.

Gratefully,
Sr. Michele Schroeck, RSM, House of Mercy Director

A place of welcome hospitality for an east side Erie neighborhood, the House of Mercy, established and sponsored by the Sisters of Mercy, promotes a healthy neighborhood by providing activities and advocacy that engage children in positive experiences for them and their neighborhood.

The Eastside Grassroots Coalition, supported by the House of Mercy and the UECDL now has regular neighborhood meetings at the JFK Kids Café Center on the second Thursday of each month from 6:30-8:00pm. The November meeting will be Nov 2nd so neighbors and community members may hear from Kathy Dalkemper and Joe Schember before the election. Hope to see you there!

EGC boundaries include Buffalo Rd- Eastside Connector- McClelland and E 12th St.

The EGC prioritized community needs including:

- ◆ Street Safety and Road Conditions
- ◆ Opportunities for Young Adults and Jobs
- ◆ Vacant Lots, Blight, and Illegal Dumping
- ◆ Neighborhood Safety and Crime

We published our first Report and Action Plan in May 2017! It can be accessed on-line at www.goo.gl/B6wibJ

EASTSIDE GRASSROOTS COALITION

Buffalo Rd - Eastside Connector - McClelland - E 12th St

During the end of the August House of Mercy program, youth supported by an Erie Community Foundation Grant and trained by Code Enforcement surveyed 670 properties along Buffalo Rd and the two blocks north and south from East Ave to McClelland to determine housing conditions and repair needs. In addition, House of Mercy youth, Mercyhurst University students, and Gannon Gives volunteers surveyed each household in the target area to determine needs and hopes.

The Sisters of Mercy, House of Mercy applied for the Neighborhood Assistance Tax Credit Program. Thanks to Northwest Savings Bank for pledging \$25,000 to provide at least five housing improvement grants of \$5000 to five low-income families in the target area. Applications will be available in Jan. 2018.

The UECDL is currently working on a Planned Urban Garden Project.
